

## Registering and Requesting a visit on PMP Anywhere Phone APP

1. Go to APP store and search “pmpanywhere”

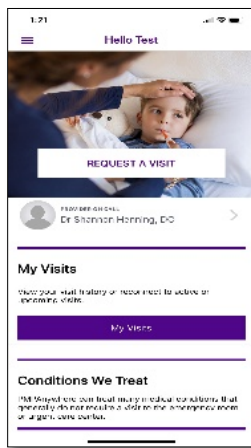

2. Download the “PMP Anywhere” APP

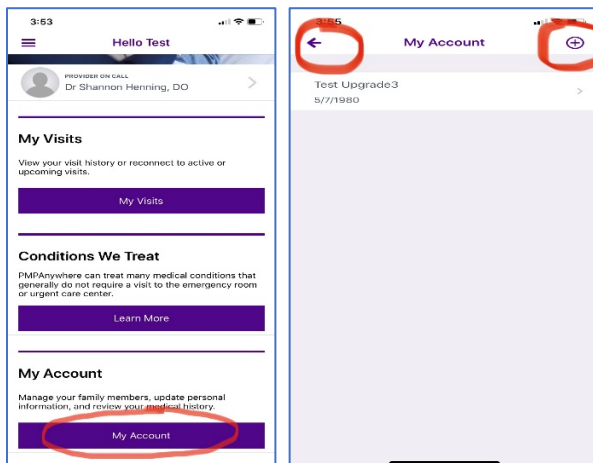

3. Open the APP and click on “CREATE YOUR ACCOUNT”

4. Enter **YOUR** name and date of Birth and continue to move through the registration process, making sure to fill out and check off **ALL** boxes and add all your demographic information.

5. Once you have completed the registration process, you are now the “Account Holder.” You will be redirected to the home screen of your account. You can then add both yourself as a patient as well as your children/other family members as your dependents

6. SCROLL DOWN and click on “My Account.” Then on the top right, click on the “+” sign. If you are adding yourself as a patient to be seen for COVID-19 Testing, choose “myself” if you are adding a child/family member for any type of visit choose “Other.” Then click on the purple arrow on the top right to navigate back to the home screen

7. Once you have added all Patients, on the home screen click on “REQUEST A VISIT.” You will then be asked to choose which patient and enter what state you are in. You will also need to update yours or your child’s medical profile if you did not fill it out completely when “adding the patient”.
